

WORKPLACE HEALTH & SAFETY POLICY

Commitment

The Management, Workers and Contractors of B & B Fabrication recognises its obligation to take all reasonable precautions to provide and maintain a work environment that is safe and without risks or injury.

Management Responsibility

- Establish and maintain a Workplace Health and Safety (WHS) management system that facilitates a structured approach to the management of WHS risk.
- Establish and review measurable objectives and targets at relevant functions and levels of the business
- Provide adequate human, financial and time resources to ensure the effectiveness and sustainability of the system.
- Keep up-to-date with relevant health and safety legislative obligations. Achieve and maintain compliance with those obligations.
- Promote a safety culture that encourages people to proactively manage health and safety risk through education, instruction, information and supervision.
- Clearly define and communicate staff, contractors and visitors responsibilities in relation to health and safety.
- Proactively identify and manage health and safety risk via a documented hazard identification, risk assessment, risk control and monitoring process.
- Improve processes that ensure that incidents and hazards are promptly reported, investigated where appropriate, and control measures are put in place to eliminate or minimise the chance of a repeat event.
- Maintain building infrastructure, plant and equipment in a safe condition with documented safe systems of work.
- Routinely monitor and review WHS performance to achieve continual improvement.

Workers Responsibility
